Accutower Flash XL2800 Control Center (E68003)

## USB Duplicator Towers

The Accutower Flash USB Duplicators take USB duplication to the next level. Duplicate 28 USB drives at a time or add an additional 21 or 49 drive tower for maximum productivity. Everything you need is included; the powerful MasterUSB software makes duplication a snap.

At last, a complete solution has arrived for duplicating USB flash drives quickly and easily. Copy up to twenty-eight drives at once with the high-speed USB ports. Save and organize your data on the internal hard drive for future use. Choose from multiple input sources such as USB, SecureDigital (SD), CompactFlash (CF), Smart Media (SM), Memory Stick (MS) or copy from the internal hard drive! Best of all, the included MasterUSB software ensures that managing and copying your USB drives is a simple and easy task. The monitor, keyboard, and mouse are included, so you can put this machine to work right out of the box! This is the future of duplication, backed by the legendary Accutower name.
